

**CALS** Comprehensive  
Advanced Life Support  
RURAL EMERGENCY MEDICAL EDUCATION

**Join your colleagues for a comprehensive review of emergency skills and concepts in the areas of: Trauma, Medical, Cardiac, Pediatric, OB, Newborn and more!**

**Comprehensive Advanced Life Support (CALs) is coming to:  
Mosaic Technologies  
401 S. 1st St.  
Cameron, WI 54822**

**Trauma Module Course: April 4, 2022 (2:00 pm)**  
**Provider Course: April 5-6, 2022 (7:00AM-5:00PM)**

---

Target audience: **Teams** of MD's, NP/PA's, RN's, EMT-P & others who provide resuscitation for patients of all ages with trauma & undifferentiated medical emergencies.

The CALs Program is committed to:

- (1) Teaching a system of care using the CALs Universal Approach
- (2) Teaching teamwork to rural medical teams and emphasizing the importance of all members of the team
- (3) Helping to standardize rural emergency care
- (4) Teaching the skill and knowledge needed to stabilize critically ill/injured patients
- (5) Demonstrating the use of equipment for rural areas
- (6) Using a system of care that emphasizes the needs of the patient

*In Minnesota the CALs Provider and Trauma Module Courses meet the trauma system education requirements to apply for level III or IV trauma certification.*
