

# JOIN OUR GROWING MOVEMENT

On Friday, April 24th, American Red Cross volunteers, fire departments and community partners will install hundreds of free smoke alarms in homes across the Altoona area.

You can help families stay safe from home fires. We need more home fire safety volunteers and teams to join us April 24th for a rewarding day of community service.

*You can make a difference.*

Sign up for the Altoona event through the "Find an Event" link at [SoundTheAlarm.org](http://SoundTheAlarm.org). For groups or other questions, call/leave a message at (715) 461-6381.

**Join us at [SoundTheAlarm.org](http://SoundTheAlarm.org)**
